ROYAL VANE'S ATLANTIC.

BURLEW'S CAST-OFF DEFEATS HIS FILLY FOR STAKE AT BRIGHTON.

Equals Brookdale Nymph's Track Record of 1:06 for Five and a Half Furlongs-Coup with Rifleman.

New York, July 15.—Superior racing in sufficient quantity to surfeit the most case-hardened regular was on tap at Brighton Beach today. Interest in the sport continued unabated and, the weather conditions being particularly favorable, probably 15,000 people saw the seven races, which included the Atlantic Stakes, a selling fixture for two-year-olds, a steeplechase over the short course, two well-balanced and extremely open handicaps, a condition sprint, a selling race for two-year-olds and a maiden race to which everything past two years old was eligible.

Notwithstanding the class of horses engaged during the afternoon, they did not develop anything startling in the way of speed. Royal Vane, the winner of the Atlantic Stakes, managed to equal the track record of 1:96 for the five and a half furlongs, which was established September 26, 1965, by Brookdale Nymph, carrying 169 pounds. Durnell's colt, although held at a prohibitive price in the betting, was heavily supported by his connections, closing finally at 3 to 5. Royal Vane gave his backers a few moments of anxiety at the most critical point in the race, on the last turn, where Ella o'Neill momentarily drew away from his challenge. The suddenly improved Burlew fligt fired finally, however, and allowed the favorite to get up.

The racing began with a victory for R. T. Wilson Jr.'s colf. Sanguine, the betting favorite. His backers were given several uneasy seconds before Miller relieved the situation and drew out and proceeded to win off in the closing furlong of the race. Sanguine was pocketed behind a solid wall of borses for nearly five furlongs.

The cross-country affair developed the unusual spectacle of a beaten favorite being cheered to the echo on his return to the judges' stand. The applause was actually intended for the jockey. At the twelfth jump Sunglow blundered badly and Archibald was pitched over his head. While turning a somersault in the air the rider reached out and grabbed an ear with one hand and the mane with the other and got back into his saddle again. Jockey Miller monopolized attention when he brought Cressina home an easy winner over Sister Frances in the third. These two were about equally favored in the market, both closing at 9 to 5. Orbicular, a contemplated, but long delayed "good thing," came along and made good with ridiculous ease in the mile and a sixteenth handleap. The running of the race was farcical. So many horses had presumably "waiting orders" that they got in one avother's way with ludicrous frequency. This quartete of bad actors were Far West, Kye, Cairngorn and Dolly Spanker.

rds. Riffeman, backed down from six to sixteen to re, the medium of a tremendous coup, ran away om his opponents in the handicap last on the

card.
Firestone came out of his last race at Sheepshead Bay in a more serious condition than was suspected. He will hardly be seen under colors before fall. He was given a little exercise this morning for the first time since the accident. Sandy, the stable jockey, has not been able to ride for several days, owing to injury sustained when crowded to the fence at the start in the race won by Roseben last Wednesday.

EDNA JACKSON'S FAST PERFORMANCE.

J. Lee Rides Two Winners at Kenilworth-Dulcian Wins the Steeplechase.

Buffalo, N. Y., July 15.—The arrival of the delegations from Latonia and Windsor put new life into the sport at Kenilworth this afternoon. The attendance was the best of the meeting for an off-day. Speculation was brisk and the racing good, three of the races being productive of keen finishes. Favorites won four races and three of them were backed down to odds-on in the betting, so their success gave the ring a jolt. The feature race was a steeplechase over the short course, in which Dulcian beat Caloorahatchee out after a mild drive. Ruth's Rattler fell and Bonfire made several bad landings. His rider had a hard time to keep from falling off.

Edna Jackson ran a really remarkable race in the fourth. She won in a center in the fast time for 1:122 for the six furlongs. Directly after the barrier was released Edna Jackson was crowded back and lost three or four lengths. Grand did not get rattled, but dropped the filly in behind the leaders and gradually reduced the big gap which separated him from Tickle and George S. Davis, qualified for fouling Mark Antony II.

Jockey J. Lee rode the winners in the last two races and immediately jumped into popularity with local race-goers. Willis Green was the best horse and he had really little more to do than sit still but on St. Joseph Lee was compelled to put up a rousing good ride for seven furlongs of the mile to keep his mount from dropping out of it. When Preen quit St. Joseph took the lead and won easily.

Dulcian changed hands after the steeplechase. He was taken for \$500 by H. S. Barry, a Baltimore

gentleman, who will race the horse here for the remainder of the meeting and then ship him to Baltimore to take part in the meeting of the Maryland Hunt Club.

Jockey Grand, who left for New York tonight, was suspended by the starter for the remainder of the meeting for disobedience while at the post in the second race. The stewards took official action against Goldstein for rough riding in the fourth race and suspended him for three days.

J. B. Respess is due here Wednesday from Cincinnati. Among the jockey arrivals this morning were Swain, Burton and Murphy from Windsor and Lee, Minder and Hueston from Latonia. Bookmakers from Latonia who reached here today were George North, C. Meyers, Oscar Bachman, Sam Most, John J. Murphy and Ben Jacobs.

Howard Oots returned from New York this morning. Jockey Prior, who rode Martin Doyle in the Brighton Handicap, also returned.

TO COMPLETE DOUGLAS PARK SALE. Winn in New York for a Conference with Cella-Plans for New Orleans Racing.

Cella—Plans for New Orieans Racing.

New York, July 15.—Matt J. Winn, president of the American Turf Association, general manager of Churchill Downs and Douglas Park tracks in Louisville, and prospective general manager of City Park and the Fair Grounds tracks in New Orieans, arrived in New York this afternoon. The purpose of his visit is to have a meeting with Louis A. Cella at which the sale of the Douglas Park track to the Kentucky State Fair Association will be made complete, and at which the situation in Kentucky and plans for the winter at New Orleans will be discussed.

"I cannot say when the fall meeting in Kentucky will be opened." said Mr. Winn. "There will not be a great deal of racing at Louisville this fall. What there is will be at Churchill Downs and will come after the state fair, which is to be held at Douglas Park the third week in September. As I understand it, the dates will be arranged so that there will be an unbroken circuit. In the end this will be more beneficial to the horsementhan an exiended meeting at Latonia this summer would have proved. It is for the best that racing terminated at Latonia at the end of the allotted time, which was last Saturday.

"There will be no holding company for the New Orleans tracks. In so far as finances are concerned the affairs of City Park, and the Fair Grounds will be kept separate and distinct. This has been settled. One of the Infuse to be deter afned upon is the recognition of licenses. I think that it is more than likely that a license issued by one governing body will be recognized by the other. This will take the burden off the trainers and fockeys. At New Orleans last week, Messrs, Heasallp, Barnes and Longshore, representing City Park, and Messrs. Renaud, Harrison and Brewster, representing the Fair Grounds, had a meeting. They were not long in reaching an understanding, and if the plans outlined at this meeting are acceptable to the two clubs I will take charge of the traicks."

NOTHING DEFINITE ABOUT YONKERS

Question of Transportation Bothers Butler-Jockey Club Stewards to Meet Today.

Jockey Club Stewards to Meet Today.

New York, July 15.—James Butler and his associates in the management of the Empire City track had a conference today with the officials of the New York Central railroad in regard to improved facilities for getting to the course for the meeting which has been amounced to open August 5. They were in conference during the morning and again in the afternoon, but no décision was reached, and they will come together again tomorrow.

Nothing of the details of the plans for the meeting have been given out yet, and it is evident that information of this character will be held until some definite statement in regard to transportation can be promised. The bad transportation facilities have always been the greatest drawback against the course, and a meeting held there would be at a great disadvantage unless the New York Central will agree to run special trains, either to Mount Vernon or Yonkers. Then a short trolley or carriage ride brings one to the track.

The plans of the association will likely be divulged in detail tomorrow or next day. Less than three weeks remain now until the opening of the meeting, and horsemen are very anxious to learn something definite. It will probably be known by Wednesday at the farthest just what action the Jockey Club will take in reference to the meeting. The stewards will lold a meeting tomorrow and the Empire City matter will be the chief subject of discussion.

None can more than hazard a guess on the position of the Jockey Club, but it will not be surprising to see this body ignore the meeting altogether pending the settlement of the appeal taken by the State Racing Commission.

HORSEMEN ARE LEAVING LATONIA.

Cincinnati, O., July 15.—W. H. Fizer has shipped his horses to Fort Erie. James Arthur sent Phil Finch, Meadowbreeze and Quagga to Saratoga. Miller Henderson, Ed Alvey, W. T. Woodard, Lockart Bros., T. E. Martin and E. McCloskey sent their horses to Louisville, L. A. Cella's string, in charge of E. Stubbs, has gone to Fort Erie. J. W. Hall has gone to Saratoga with Goldproof.

JAMAICA WANTS BETTER DATES

New York, July 15.—According to reports at Brighton Beach today the owners of the Jamaica plant are about to add to the troubles of the Jockey Club. They are, it is said, dissatisfied with the dates they have been getting, and are threatening to cut loose from Jockey Club control unless they get what they want next year.

The latter finished gamely under a drive. Bonfire stumbled after taking the eleventh jump and lost three or four lengths. Knoblampton swerved at several jumps, going wide on every turn. Preen was much used in racing Posing into defeat and tired in the last quarter. Nibelick, on the inside all the way, finished fast and outgamed Canopian in the final drive. The latter ran a good race. Posing ran a fast three-quarters and tired. The winner was entered for \$500, bid up to \$800 and bought in.

The Bashford Manor lot have got nothing, so far. Sir Huon, Arcite, Altuda, Sir Cleges and Boema are the best of them. The latter, a handsome filly by Alvescot—Espanola, has gone once and ran a good race. She will pay for remembrance. Altuda is now working sweetly at Sheepshead. Arcite is ready. Sir Huon, after a lei-up, is galloping again and has all his speed on call.

Braneas and Lady Savoy, in Will McDaniel's lot, look and work well and will soon be in action. John Marrs' work at Sheepshead is almost as impressive in pressive in pressive in action than Chapultepec's.

Temaceo, in Durnell's lot, is thoroughly fit and which isn't much.

NO REVENUE FROM THE BETTING RING

Kentucky State Racing Commission Plans to Follow the Idea of the Jockey Club.

Cincinnati, O., July 15.—From a source close to the Kentucky State Racing Commission comes the information that it is contemplated to do away with slates in the betting rings on Kentucky tracks next year, and substitute the New York mode of speculation. The Commission aims as much as possible to suppress the paraphernalia of betting, and also to ultimately make Kentucky racing entirely independent of betting ring revenue, as has long been done in England and as the Eastern Jockey Club is now trying to do.

FOUR DAYS' RACING AT PIMLICO.

Baltimore, Md., July 15.—The Green Spring Valley Hunt Club and the Patapseo Hunt Club will give four days' racing at Pimlico August 29 to September 2. There are to be six races a day, five on the flat and one steeplechase. The added money to purses will range from \$100 to \$550. The dates have been selected with a view to giving some occupation to horses that otherwise would be idle. As this meeting will be followed by a week's racing at Timonium, then four days at Prospect Park, and later by the Benning and Maryland Jockey Club meeting at Pimlico, there should be attraction enough to draw many of the best horses not racing on the big tracks.

SWINDLER IS FINED AT BUFFALO.

Buffalo, N. Y., July 15.—Charles Howard, a swindler, who was caught red-handed at Kenilworth after the sixth race Saturday, was heavily fined in a police court this morning. Howard was attempting to collect a wager on Oroba in Barney Schreiber's book when Officer Martin took hold of his badge and discovered that it was not genuine. Howard had pasted on the face of the badge numbers which corresponded with those of a genuine badge which called for a winning wager made on the mare. When searched Howard had on his person about 100 numbers and a small tube of paste.

Winner—Ch. e, by Smile—Orbed Maiden (trained by T. Murray).

Went to post at 4:19. At post 1 minute. Start good. Won easily; second and third driving. Orbicular, luckily placed from the start, drew out rapidly on the last turn and made good finally and impressively. Yankee Girl trailed for half the journey, then closed up on the turn with lightning rapidity. But failed to get up in the stretch sprint in a grand performance. Far West, away poorly, was pocketed and pulled up so sharply on the first turn that he nearly fell, then loomed up menacingly on the last turn gorm nearly pulled his jockey out of the saddle in the latter's effort to place him in behind the early pacemaker and finally was compelled to go to the front, but was badly messed about and really had no chance with his ride. Dolly Spanker also moved up prematurely and succumbed at the end.

Scratched—70112 Rapid Water, 116; 69911 Running Water, 126; 70112 Colonel White, 111; 699893 Confederate, 116; 70114 Miss Crawford, 115; 70016 Jacquin, 110; 70064 Hyperion II., 113.

was our one best bet yesterday. This was the first horse we sent out in over two months at odds less than even money. Today we have one that will be a good price and walk home. We are the only firm that has stood the test of time with a one-horse-a-day proposition. Rarely do we go over two days without a winner. A nice income can be made every week with a small capital. Full particulars free of charge. Call and investigate.
